Los Angeles, Calif. – June 26th, 2020 - (CELESTIAL ATLANTIS TREATY ORGANIZATION) the Celestial Atlantis Treaty Organization (CATO), a government organization also known as the proposed Atlantis California Municipal Incorporated Government of Arendelle County, California, announced today ahead of the final weekend of June that it would resume normal operations under COVID-19 with specified regulations in place.

"CATO can't stay operating at a skeleton level" the Executive High Councilor of the Council of Ahtohallan, Avalon Danvers, said in a statement. "It's time to safely reopen our doors and continue our projects."

Danvers, referencing the Directorates which fall under the control of CATO: NortheBridge, S.T.A.R. Labs, Consortium of the Infinity Star, and the Assembly of Concorde as consisting of what needs to begin moving forward once more.

"We have a lot we need to accomplish, and we can't do that if we're constantly closing and opening for brief periods of times," Avalon continued. "This time, we're opening to our normal schedule but we're making some modifications."

Stated to be in Celestial Atlantis Treaty Organization's Partner Help Center at <https://partnerhelp.northebridge.com/> by searching the keyword "COVID" the contingency known as "Autumn COVID Contingency" outlines CATO's new operating procedures for the continuity of business during the global pandemic.
